Defendant.)	

This matter is before the court on defendant's Motion to Continue Trial [23]. Counsel needs additional time to try to resolve this matter short of trial. The undersigned magistrate judge has additionally communicated with the attorneys. Based on the motion and the communication with the parties, the undersigned finds good cause to grant the continuance. Accordingly,

IT IS ORDERED that the Motion to Continue Trial [23] is granted, as follows:

1. The jury trial now set for May 16, 2023, is continued to **July 18, 2023**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and July 18, 2023**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(7)(A) & (B)(iv).
3. **No further continuances will be granted without requesting a hearing before the undersigned magistrate judge.**

DATED: May 4, 2023
